When will districts be notified that funds are coming?

Districts will be notified of funding through an MDE e-blast memo from the State Superintendent’s Office as well as through the formal Grant Award Notification generated in MEGS+ once the grants are awarded. It is anticipated that award notifications will happen mid-to-late January.

When will the TRIG 4.0 funds be sent out?

Funds will be sent out again through the Cash Management System (CMS). It is estimated that funds will be uploaded to the CMS at the same time the Grant Award Notifications are generated in MEGS+, mid-to-late January 2016.

How much will the FTE amount be?

The FTE amount will be an equal amount calculated after the close of the grant application window. It is estimated to range between $7.50 - $10.00.
Other Questions

What is the difference between the Technology Readiness Infrastructure Grant Activities and the Technology Readiness Infrastructure Grant Invitation applications in MEGS+?

TRIG Activities is the Statewide Activities Application. The TRIG Invitation is the TRIG District Participation. Click here for the 2015-16 Technology Readiness Infrastructure Grant (TRIG) Request for Proposal (RFP).

What is the deadline to submit MTRAx information?

The Michigan Department of Education (MDE) has coordinated the deadline for MTRAx submission with the deadline for the MEGS+ Applications. This date is December 18, 2015.
